Appraisals Made Easy

Work In Progress Tracker

Engage with their Part-Exchange

Value My Trade In

- ✓ Price My Car instantly connects buyers and sellers
- ✓ Making the whole car selling, part-exchanging, or purchase process simpler

Connect & Engage with Leads

- ✓ Instant messaging facilitates easy communication between the Salesperson & Sales Manager.
- ✓ Complete audit trail.
- ✓ One central part-exchange platform for your business
- ✓ Accessible by your team, securely anywhere at anytime.

Select Traders

- Trader 1 €16,500
- Trader 2 €18,750
- Trader 3 €17,950

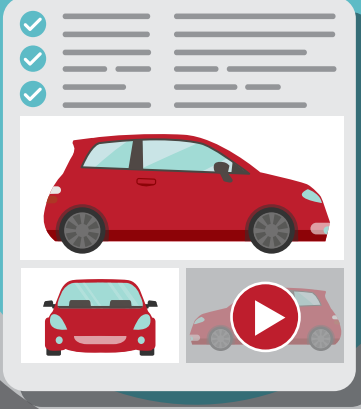

Digital Appraisal Centralised Platform

- ✓ Get an accurate price for the vehicle
- ✓ Receive bids Accept bids
- ✓ Instantly send vehicle to traders

Appraisal Report

The Lead can add images & videos of the vehicle to complete their remote appraisal. Appraisal reports can be sent securely to the sales manager and uploaded to the cloud for easy access from anywhere at anytime. Say goodbye to looking for paperwork.

A simple change in your current part-exchange process will result in accurate appraisals results in higher profit margins. Faster appraisals allow for better sales conversions, ensuring the customer doesn't leave your forecourt.

Reconditioning Work in Progress Tracker

- ✓ Vehicle Reconditioning Tool for the 21st Century which provides you with a detailed and crossreferenced database for every vehicle that comes into your dealership.
- ✓ Instantly accessible work histories for each vehicle, which are automatically updated as the vehicles move through the reconditioning process.
- ✓ Boosts your efficiency and keeps your sales team informed on every vehicle that comes onto your lot on trade.

- Centrally stored platform for every communication and data relating to the part-exchange platform
- Suite of software services targeting the part-exchange throughout the sales-cycle

- Live Notifications by Email each time a swim-lane is Opened and/or Closed
- Input €€€ at every stage of the prep cycle
- Instantly send workshop costings to Finance

- See your average Timings at each stage in the prep cycle
- Instantly identify where a vehicle is at any stage of the reconditioning cycle

- Complete Audit Trail at the end of the Prep-Cycle
- Email multiple selected people/ departments throughout the reconditioning cycle
